Hi. Please come to Superior Court 1st. I am going to start trial tomorrow and hopefully will be able to put and Sonja on 1st thing on Wednesday. If you happen to know the name of the District Court case I'll let the ADA know.

In terms of summons, they must of made a mistake - 7 North Street is DA's office address. You are right - the Superior Court is right next to the District Court (they are actually connected). Any security officer will help you, but its the big gray building that has a large metal handicap ramp in front of it. Once inside, walk straight and go up the stair case. There is only 1 superior court courtroom and its on the 2nd floor. If you get lost my cell # is [REDACTED]

In terms of testimony, I think I put the lab #'s on the summons. If not let me know. Lastly, is there any predicate questions that you have that you want me to ask? I was going to ask the attached questions if you don't.

Thank you

Hi Greg,

I have a case with you scheduled for Wednesday 10/28 vs. [REDACTED]. As I am aware, this case will be in Superior court. I also have a case scheduled for District the same day. I would just like to know where I should report to first or where I could find you. Also the summons I received has the address of 7 North St. but I was under the impression the Superior court was right next to district at 76 East St. Just let me know which address is the one I need. Thank you.
